

Student Senate Resolution 2001-1

Whereas, The Hansen Center will become a hub of campus activity, not only for students, but also alumni; and

Whereas, Student safety is promoted by offering regulated facilities on campus that serve alcohol; and

Whereas, The students of Illinois Wesleyan University realize the importance of responsible alcohol consumption; and

Whereas, A restaurant which serves alcohol in the Hansen Student Center will play an integral role in completing the ambiance in a building where much effort has been devoted to a design that fosters campus unity; and

Whereas, The serving of alcohol in the Hansen Center will promote the ideals of the University's Alcohol Policy which states: "The University views as one of its fundamental obligations the responsibility to provide students and other IWU members with the information, guidance, and assistance needed to enhance their wellness. This obligation incorporates a holistic approach to wellness, including support for both the decision whether to consume alcohol or the manner by which to use it responsibly. The University affirms that, given such support, its students are endowed themselves with the ability and primary responsibility to regulate and monitor alcohol consumption compatible with a productive educational environment safe for all students;" therefore be it

Resolved, That alcohol should be made available in the Hansen Student Center in accordance with the University Alcohol Policy and State and Local Law.
